INDEX: VOLUME 85

Acarina, 33, 175, 202

Alexander, C.P., 1
New exotic crane flies, Pt. XXIV

Amphipsocidae, 155

Araneida, 219

Arctiidae, 95

Balsbaugh, E.U. Jr., 67

Bat flies, 221

Bell, R.T., 154
European Harvestman in No. America

Black lighting in Missouri, Observations, 56

Book-lungs, scorpion, 88

Book reviews, 75, 101, 158, 226, 292

Bradley, J.C., 186
Scolia clypealis, n.sp.

Brown, H.P., 31
Distribution records of Spongilla-flies

Brown, K.S. Jr., 265
Ithomiines of Brazil: III. Rediscovery & systematic position of *Napeagenes xanthone*

Brown, W.L. Jr., 45
Novomessor manni a synonym of *Aphaenogaster ensifera*

Buffalo treehopper, 29

Bugbee, R.E., 225

Buprestidae, 48, 102

Calabrese, D.M., 27
Population & subspecific variation in *Gerris remigis*

Calabrese, D.M., 293
Variation in wing venation of four Odonates

Canadohta Lake, Pa., 225

Carabidae, 205

Cartwright, O.L., 181

Ceratopogonidae, 211

Cheng, L., Hogue, C.L., 211
New distribution & habitat records of biting midges & mangrove flies from coasts of So. Baja Calif., Mexico

Chernetidae, 21

Cheyledidae, 33

Chironomidae, 211

Chrysopidae, 159

Chthoniidae, 81

Cicadas, 239

Cicindelidae, 99

Coleoptera, 9, 13, 48, 67, 72, 85, 99, 102, 130, 174, 181, 205

Connell, W.A., 175

Cooper, C.M., 224

Crane flies, 1

Culicidae, 211

Danaidae, 116

Darst, P.H., Cooper, C.M., Paul, R.N., Steen, J.P., 224
New Mississippi records for *Zorotypus hubbardi*

Day, M.C., 92
Identity of *Entypus* Dahlbom

Day, W.H., 129

Dennis, C.J., 29
More about the Buffalo treehopper on a Mississippi River island

Deonier, D.L., 193
Ultra violet-reflective surfaces in *Ochthera mantis mantis* (DeGeer)

Deonier, D.L., 284
Phenolphthalein-Acetone solution – a versatile insect marking technique.

Dermestidae, 85

Diptera, 1, 54, 64, 147, 193, 211, 221, 275, 279, 295

Distribution cards, 59

Dragonflies, vertebrate enemies of, 61

Easterla, D.A., 221

Empididae, 295

Encyrtidae, 19

Ephemeroptera, 76

Ephydridae, 64, 193

INDEX: VOLUME 85 (Continued)

Eriophyidae, 202

Eulophidae, 23

Eumenidae, 149

Evans, H.E., Matthews, R.W., 149
Notes on nests & prey of two species of ground-nesting Eumenidae from So. America

Fallas, B.F., 23

Formicidae, 45, 257, 303

Francoeur, A., 257
Notes for revision of ant genus *Formica*: I. New identifications & synonymies for some nearctic specimens

Funkhouser, W.D., bibliography & list of names proposed, 131

Gaufin, A.R., Ricker, W.E., 285
Additions & corrections to list of Montana stoneflies

Gerdes, C., 279
New species of Ecuadorean *Toxomerus*

Gerridae, 27

Gordon, R.D., Cartwright, O.L., 181
Survey of food preferences of some No. American Canthonini

Hall, J.C., 19
New genus & species of mealybug parasite from Paraguay

Harper, P.P., 295
New eastern nearctic *Hemerodromia*

Harvestman, European in N.A., 154

Heitzman, R.L., 56
Observations on blacklighting in Missouri

Heitzman, R.L., 59
Distribution cards for the entomologist

Hemiptera, 27, 187

Henry, T.J., 187
Two new pine-inhabiting *Phytocoris* from Pennsylvania

Heptogeniidae, 76

Hespenheide, H.A., 48
Nomenclatural notes on the Agrilinae, II *Agrilus*

Hespenheide, H.A., 102
Nomenclatural notes on the Agrilinae, III *Pachyschelus & Hylaeogena*

Hoff, C.C., Jennings, D.T., 21
Pseudoscorpions phoretic on a spider

Hogue, C.L., 211

Homoptera, 29, 131, 239

Howell, J.O., 219
Brown recluse spider in Georgia

Huff, B.L. Jr., 76

Hymenoptera, 19, 23, 45, 92, 146, 149, 186, 257, 303

International Commission on Zoological Nomenclature, 98, 126, 180, 315

Jennings, D.T., 21

Kessler, H., Balsbaugh, E.U. Jr., McDaniel, B., 67
Faunistic comparison of adult Coleoptera recovered from cattle & sheep manure in east-central South Dakota

Kopp, D.D., Yonke, T.R., 131
Wm. D. Funkhouser (1881-1948). Bibliography & list of names proposed

Labels, data, xeroxed, 301

Larochelle, A., 99
Observations on biology of some tiger beetles

Larochelle, A., 205
On the habitat of some carabid beetles

Leahy, C.W., 208

Legner, E.F., 13

Lepidoptera, 40, 95, 116, 227, 265

Loxoscelidae, 219

Lycaenidae, 40

MacLeod, E.G., 159

Mangrove flies, 211

Mason State Forest, 9

Mathis, W.N., 64
Lectotype designation for *Notiphila varia* Jones

INDEX: VOLUME 85 (Continued)

Matthews, R.W., 149

Mayfly, 76

McCafferty, W.P., Huff, B.L. Jr., 76
Parthenogenesis in mayfly *Stenonema fermoratum* (Say)

McDaniel, 67

Mealybug parasite, 19

Mecoptera, 171

Megachilidae, 146

Membership message, 129

Membracidae, 29, 131

Midges, biting, 211

Miliotis, P.S., 208

Miller, D.J., Connell, W.A., 175
Host-plant spectrum of strawberry spider mite

Miridae, 187

Mitra, T.R., 61
Note on vertebrate enemies of dragonflies

Mockford, E.L., 155
New genus & species of Amphipsocidae from southeastern Asia

Moore, I., 130
Southern range extension of *Diaulota densissima* with notes on dispersal of marine insects

Moore, I., 174
New records of two rare rove beetles for Arizona

Moore, I., Legner, E.F., 13
Genera of subfamilies Pseudopsinae & Proteininae of America north of Mexico

Muchmore, W.B., 81
New cavernicolous species of *Kleptochthonius* from Virginia & West Virginia

Neuroptera, 31, 159

Nycteribiidae, 221

Nymphalidae, 227, 265

Odonata, 61, 170, 208, 225, 289, 293

Orsak, L.J., 301
Xeroxed data labels

Otitidae, 147

Panorpidae, 171

Paul, R.N., 224

Peairs, F.B., Bugbee, R.E., 225
Odonata naiads from Canadohta Lake, Crawford County, Pennsylvania

Pechuman, L.L., 54
Chloromyia formosa established in the United States

Pechuman, L.L., 62
"N.Y." versus "W.T."

Phalangida, 154

Phalangiidae, 154

Phenolphthalein-Acetone solution, a versatile insect marking technique, 284

Phoridae, 211

Plecoptera, 285

Pompilidae, 92

Pseudoscorpionida, 21, 81

Psocoptera, 155

Puthz, V., 9
Notes on a collecting trip to Mason State Forest, Mason County, Illinois, with comments on some Staphylinidae 131. Contribution to knowledge of Steninae

Quarantine notice, 192

Ratcliffe, B.C., 72
New distribution records for eleven species of *Phyllophaga*

Reisen, W.K., 275
Ecology of Honey Creek. Preliminary evaluation of influence of *Simulium* spp.

Rentz, D.C., Day, W.H., 129
Message to membership

Ricker, W.E., 285

Roche, C.D., Smith, L.W. Jr., 85
Note on rearing *Dermestes maculatus* DeGeer

Rupprecht, Rev. J., 298

Scarabaeidae, 72, 181

Schmitt box, 298

INDEX: VOLUME 85 (Continued)

Schreiber, J.R., 303
Isolation of Attini brood from social environment

Scoliidae, 186

Scorpion book-lungs, 88

Scorpionida, 108

Shapiro, A.M., 40
Salt marsh population of *Lycaena helloides* feeding on *Potentilla*

Sheldon, J.K., MacLeod, E.G., 159
Studies on biology of Chrysopidae V. Developmental & reproductive maturation rates of *Chrysopa carnea*

Shiffer, C., 170
Two species of odonata new to Pennsylvania

Simuliidae, 275

Sisyridae, 31

Smith, L.W. Jr., 85

Soleglad, M.E., 108
Vejovis calidus, a new species of scorpion from Coahuila, Mexico

Spider, brown recluse, 219

Spongillaflies, 31

Staphylinidae, 9, 13, 130, 174

Steen, J.P., 224

Steyskal, G.C., 147
Genus *Callopistromyia* Hendel

Stoneflies, Montana, 285

Stratiomyidae, 54

Strawberry spider mite, 175

Streblidae, 221

Styer, W.E., 202
New species of *Phyllocoptes* from rose

Suter, W.R., 298
Father of the Schmitt box

Syrphidae, 279

Tepedino, V.J., 146
Bee genus *Proteriades* in Wyoming

Tetranychidae, 175

Thewke, S.E., 33
New species of *Chelacheles* from Missouri with a key to known species

Tibicinidae, 239

Tiger beetles, 99

Tipulidae, 1

Treehopper, Buffalo, 29

Ultraviolet reflective surfaces, 193

Vargas, V.M., Fallas, B.F., 23
Notes on biology of *Tetrastichus hagenowii*, a parasite of cockroach oothecae

Vejovidae, 108

Vyas, A.B., 88
Scanning electron microscopy of book-lungs of the scorpion *Heterometrus fulvipes*

Washington Territory labels, 62

Water strider, 27

Webb, D.W., 171
New species of *Panorpa*

Whitaker, J.O., Easterla, D.A., 221
Bat flies in eastern U.S. & new Nycteribiid record from Saskatchewan

White, H.W. III, Miliotis, P.S., Leahy, C.W., 208
Additions to Odonata of Massachusetts

White, H.W. III, 289
Aeshna subarctica & other Odonata new for Maine

Williston, S.W., labels of, 62

Windler, D.R., Windler, B.K., 95
Notes on life history of *Utethesia ornatrix bella* Linnaeus & its parasite relationship to *Crotalaria*

Yonke, T.R., 131

Young, A.M., 116
Some differences between temperate & tropical populations of Monarch & Queen butterflies

Young, A.M., 227
On the biology of *Godyris zavaleta caesiopicta*

Young, A.M., 239
Population biology of neotropical cicadas: III. Behavioral natural history of *Pacarina* in Costa Rican grasslands

Zoraptera, 224
